## **Introduced by Assembly Member Huber**

February 27, 2009

An act to amend Sections 84203, 84204, and 84605 of the Government Code, relating to the Political Reform Act of 1974.

## LEGISLATIVE COUNSEL'S DIGEST

AB 1181, as introduced, Huber. Political Reform Act of 1974: statements and reports.

(1) The Political Reform Act of 1974 requires a candidate or committee that makes or receives a late contribution, or a committee that makes a late independent expenditure, to report the contribution or expenditure by specified means. The act requires the late contribution or the late independent expenditure to be reported by facsimile transmission, guaranteed overnight delivery, or personal delivery within 24 hours of the time the contribution or independent expenditure is made. The act also requires certain of these types of contributions and expenditures to be reported online.

This bill would provide that if a late contribution or late independent expenditure is required to be reported to the Secretary of State, the report to the Secretary of State shall be by online or electronic transmission only.

(2) The act requires that specified persons or entities periodically file reports online or electronically with the Secretary of State, including any general purpose committee that cumulatively has received contributions or made expenditures totaling \$50,000 or more, and any slate mailer organization with cumulative reportable payments received or made for purposes of producing slate mailers of \$50,000 or more.

AB 1181 -2-

for a specified reason.

The bill would delete these requirements and instead provide that a statement, report, or other document required to be filed with the Secretary of State pursuant to specified provisions of the act be filed with the Secretary of State by online or electronic transmission. The bill would provide that this provision does not apply to a statement of organization filed by a local committee. The bill would also provide that if a person files a report or other document, as specified, with the Secretary of State by online or electronic means, the person would also be required to file, in paper format, the original and one copy of that report or other document with the Secretary of State. The bill would provide that the paper original of the report or other document shall continue to be the official filing for audit and other legal purposes until the Secretary of State determines, subject to conditions established by the Secretary of State, that the online and electronic disclosure systems are operating securely and effectively. By imposing criminal penalties on filers who fail to comply with these requirements, the bill would impose a state-mandated local program.

- (3) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement. This bill would provide that no reimbursement is required by this act
- (4) The Political Reform Act of 1974, an initiative measure, provides that the Legislature may amend the act to further the act's purposes upon a  $\frac{2}{3}$  vote of each house and compliance with specified procedural requirements.

This bill would declare that it furthers the purposes of the act.

Vote:  $\frac{2}{3}$ . Appropriation: no. Fiscal committee: yes. State-mandated local program: yes.
